

NC FREEDOM FEST

2026 SPONSORSHIP OPPORTUNITIES

The NC Freedom Fest is an all-inclusive, Military & First Responders Appreciation Festival that celebrates all of the men & women serving our country at home and abroad. Formerly known as “Wings of Wayne”, this festival is a community event in Historic Downtown Goldsboro that is held annually on the Saturday following the Labor Day Holiday. This date for the next festival is September 12th, 2026. The festival specializes in recognizing our Military heritage and community by showcasing local active and retired military, while celebrating all they do for our city and country. The mission of the NC Freedom Fest is to create a community driven festival celebrating diversity through our heritage, arts, crafts, culture and of course, America. It is a great source of local pride, with the entire community involved in celebrating our heroes. The festival encourages volunteerism and civic participation as this helps keep our growing festival free to all, as well as promotes the unique qualities of Downtown Goldsboro.

Not only has NC FF made an impact in our community, we have also gained attention at the National level.

Our event, coupled with meaningful volunteer work, resulted in the receipt of the Spirit of Hope Award for the USAF. This award is a United States Military awards presented by the Department of Defense. It is annually awarded to individuals or organizations whose work benefits the quality of life of service members and their families. We could not be more honored that our “One Community” approach is making a difference nationwide!

NC Freedom Fest would not be possible without our dedicated Festival Committee and Board of Directors.
